Letter No. B/C 436/46-7. dated 25.9.1946
from the D.J.S. Forwarded and estimate
for Rs 450/- for closing the gate and
removing the barbed wire fencing put up
around the barracks in the central jail
Compound, at the time of the food Dept.

Kind reference is invited to S.O. No.
S.D. 5212-16 A 4245-6 dated 2.2.1946.

A sum of Rs 6000/- was sanctioned for converting
the 3 barracks into suitable godowns
for storage of food grains. The necessary
alterations to the central jail barracks
were effected by the public works
Dept. Keeping in view that the improvements
effected at a cost of Rs 6000/- may prove
useful in future also if any extra
accommodation was to be needed.

2) The D.J.S. now states that the
Supt. Central Jail Bangalore is pressing
for the removal of these structures, put
up by the food Dept. at a cost of Rs 450/-

3) The estimate has been scrutinised
by the Executive Engineer Buildings Division,
Bangalore.

If the proposal is favoured the
the convenience of the P.W. Secretary
for the estimate would be necessary. The cost
is proposed to be met by the Food
Dept. in ~~orders~~.

D.S.

5/8. Mr 6/8

3) Quite a large amount
was spent on making
the barracks fit for use
for storage accommodation. If

the gate is closed the lorries cannot
enter the Jail at all in future and
it will mean that we give up
the idea in toto of storing food-
grains in the Jail in future. If
that were the idea there may be
no harm in sanctioning the present
proposal. But it is highly probable
that we will be hard up for
storage accommodation in the month
of January 78 when the new harvest
would have come in. So it might be
desirable to keep things as they are
for the present and review the position
six months later. If appd. the D.F.S.
will be requested to renew the proposal
after six months taking into consideration
the circumstances existing at that time.

Estimate for Rs 450/- for Closing the gate and
removing the barbed wire

On telephone, I consulted Mr P. N.

A Khimnasingh, Asst Dir: F.S on the point raised in
para 3 above who is of the opinion that even in
January next, the barracks will not be required by
the Dept. He further informs me that experience
has shown that they are not suitable for

accommodation purposes for good reasons. The D.F.S
happens to be on leave today. Further the
barracks have already been released.
In these circumstances, I am in favour
of accepting the recommendation of the D.F.S.

I have the honour to state that an estimate for Rs.450
for closing the gate in the eastern main compound and removing
the barbed wire fencing, ~~is~~ put up around the un used barracks in
Central Jail compound Bangalore has been received from the
Executive Engineer Buildings Division for sanction. It is stated
that the Superintendent, Central Jail Bangalore is pressing for the
removal of these things. The gate-way was put up for the use of
this Department lorries to get into the barracks. These barracks
have been now released and handed over to the Superintendent, Central
Jail.

In the circumstances stated above, I request that sanction of
Government may be kindly obtained to the estimate which is enclosed
for reference and return. A copy of the letter received from the
Executive Engineer is also enclosed.

I have the honour to be

 fencing put up round the unused barracks in
 Central Jail compound, Bangalore.

I have the honour to forward herewith an estimate
 amounting to Rs 450/- for the above work for favour of counter-
 signature and early return with necessary funds.

2. The report accompanying the estimate explains the
 provisions made therein.

3. Since the gate was put up for the use of the
 Road Supply Department lorries to get into the barracks, the
 cost of the enclosed estimate has to be borne by the Road
 Supply Department.

4. I therefore request that the enclosed estimate may
 kindly be returned duly countersigned with necessary funds
 for taking up the work to the Superintendent, Central Jail.
